

AMERICAN CANCER SOCIETY INSTITUTIONAL RESEARCH GRANT - REQUEST FOR APPLICATIONS -

Purpose

- To provide seed money to junior faculty to obtain preliminary data for future peer-reviewed research grant submissions

Eligibility

- Junior faculty without peer-reviewed funds;
- UCCCC membership or eligible for membership (e.g., research is cancer-focused);
- Previous awardees (investigators) are eligible to apply for a second IRG award for the same project; and
- Research Associates (even with parenthetical rank) are NOT eligible.

Deadline

- Friday, October 21, 2011 – 12:00 Noon

Budget and Duration

- \$35,000 over one year

Funding Period

- December 1, 2011 to November 30, 2012

Four projects will be funded with at least one in the area of population sciences research (e.g., cancer prevention or control, epidemiology, health services research).

***PLEASE POST AND PASS THIS ANNOUNCEMENT ON
TO ALL JUNIOR FACULTY***
